Data sheet — KG2607-1

3-in-1 sandwich maker

The ADE 3-in-1 sandwich maker KG2607 combines versatile functionality in a compact design. With three interchangeable plates, the appliance allows the preparation of waffles, sandwiches and grilled food. A high-quality non-stick coating supports even results and easy cleaning. A heat-insulated handle with locking mechanism, temperature control indicator and overheat protection ensure safe operation, while upright storage enables space-saving placement.
